

The Talmud

THE HATRED TEACHINGS TOWARDS HUMANITY

The Talmud

This small collection of quotations from the Talmud, which contains 63 books distributed in 524 chapters, is enough to show the true face of the beast.

The Talmud Unmasked

The Talmud is a sacred book of the Jews, a book that goes from theory to practice and that the Jews teach in their cults to their children from very early ages. It is a manual of a satanic people, that obeys a god out of this world with whom the Jews signed THE PACT and he chose them to enslave all mankind.

The Contemporary Jew is, to a large extent, the result of the Talmud and the hatred that for thousands of years his religion has inculcated him against the "goyim", the expression with which they refer to the rest of men, that is, to us. Remember that "goyim" is also the way Jews call pigs because of the noise they make: "goin, goim ...".

"Imagine that you do not have the weapons to defend yourself or understand the process by which this is carried out, and you only see that the violence, and the worst emotions spread around you in an exponential way destroying everything in its path, that members of your family, friends and acquaintances, are transformed from one day to the next into strangers, where you begin to see and accept things now unthinkable, all decadence is seen as something normal, where it does not matter if you are an angel or demon, where you begin to experience all the lowest desires and pleasures, where doing good is the same as doing evil, where the harvest of lights and shadows are the physical totality of the carbon units with soul included. "/ It is one of the **scenarios** that Jewish-demons propitiate for humanity, because they use **propaganda** that is more effective than wars to control the minds of the people, since they dominate almost all the propaganda worldwide, dragging and polluting journalists, because they control their minds and those who do not, lose their jobs. The Talmudic, thanks to their cabalistic knowledge, can handle the collective insensitive by recording the **runes** of turn, in addition to the spells and pacts that the Jews make with demons to maintain a humanity in perpetual submission and degeneration.

728/5000 The Kabbalah That is, the magical and esoteric aspect of Judaism. Due to the mental schizophrenia of Judaism, to its history of moral misery and closed sectarianism, it has created for centuries an esoteric and secretive vision, replete with symbols and rites generated during centuries of obscurantism, in the synagogues and the dark meetings of the ghettos ... all that set of beliefs form the Cabala. There is a clear relationship between religious 'sacred' texts of Judaism and Kabbalah. It is not surprising that there have been some cases among Palestinian children that may be clearly ritual crimes, and it is very likely that there have been several more cases scattered throughout the world in recent years. https://www.youtube.com/watch?v=XUII6CXc_1k NOT AVAILABLE

"We demand that four billion (!) Jews were killed by the Romans in the city of Bethar". (Gittin 57 b - Note: this is part of the anti-Roman campaign initiated by the Jews at the time of the failed uprising in Jerusalem, in his first attempt to found the State of Israel, 2,000 years ago).

Purim is the same party that the Europeans hated and detested and that is why they wanted the Jews to leave their countries so they can be saved from their evil.

During these festivities they dress in a very strange way, they stain their faces with different types of makeup and use strange animal masks or masks of satanic or acrobatic characters.

This is the same festivity that the peoples of Europe hated and detested and because of this they wanted the Jews to leave their countries in order to save themselves from their evil. This is because the Jews who lived in Europe always cooked a great cake for the festivities and everyone ate it. However, this cake was mixed with the blood of a victim that they chose from among those non-Jews. Most of the time, the victim was a small boy, whom they placed in a perforated barrel full of thorns. The thorns stabbed the victim's body and their blood flowed in a special dish that collected it. After this, they used it to prepare the main sweets for the sacred festivity and they made sure that all the Jews in the area ate some of it. Because of this, European peoples detested the presence of Jews in their countries and longed for them to leave. Since they were the main reason for all despicable deeds, the commission mechanism for all crime and the source of all social and economic corruption.

This Jewish mentality and this ancestral nature of the Jews has not changed. They have conformed their joy through the blood of others, they celebrate their festivities at the expense of the sighs and moans of the victims who tortured and base their happiness on the grief of others. They do not mind stealing happiness from their owners and erase the smile from the faces of women and children who are deprived of the sacred right to live and those who steal their opportunity to rejoice, to be happy and to live.

The Jewish Passover has always been accompanied by suffering and pain, when the Jews began to celebrate their festivities, the blood began to flow, the Jews always made sure to persecute a pure and innocent Christian child, who had not tasted wine and whose blood it had never been contaminated with impurity.

They took him to the altar in his temple, where he was stabbed with knives. Then they mixed the blood in a dough and baked *amatza*.
